

HAMILTON STEEL U18 HOCKEY CLUB

WHAT YOU NEED TO KNOW FOR TRYOUTS

What You Need Before Attending Hamilton Steel U18 Tryouts

- Hamilton Zone players: Obtain your U18 PTS from your HOME CENTRE. The Hamilton Steel Hockey Club **does not** issue PTS forms.
- Hamilton OMHA zoned players, the form is attached on our website which can be filled out and sent to your home centre for signature.
- Hamilton Alliance / Hamilton Huskies players, the form is attached on our website which can be filled out and sent to: **katejsharkey13@gmail.com**.
- OMHA Players Outside Hamilton Zone: Please obtain your U18 PTS from your home centre and bring a hard copy with you to the tryout.
- Other Members Partner Players (Alliance/GTHL): Please obtain a release unconditional or conditional from your home centre or membered partner and bring a hard copy with you to the tryout.

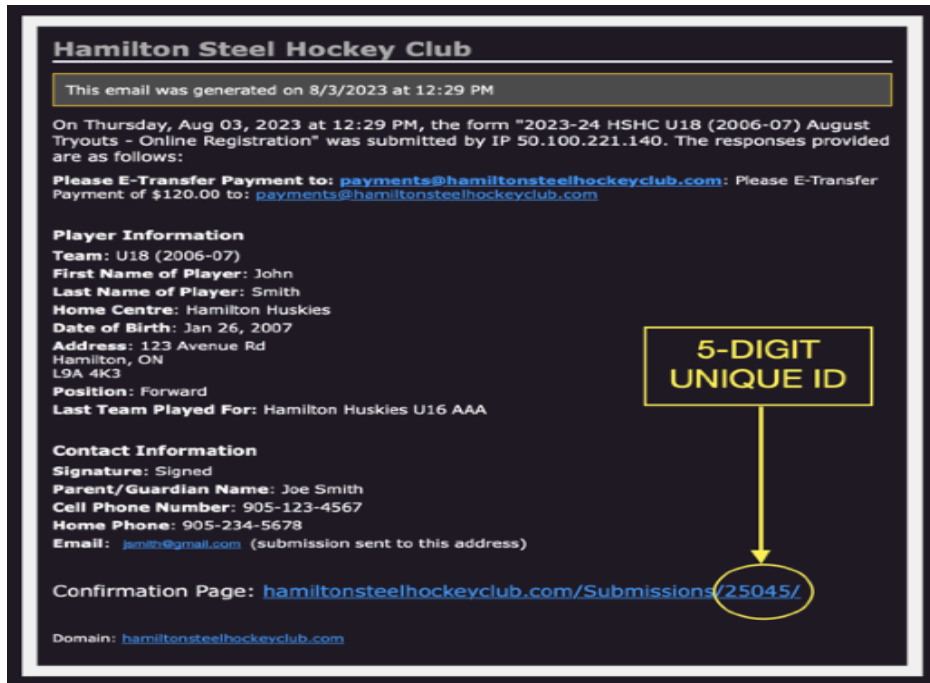

Next step once you have your correct paper:

- Register online through the Hamilton Steel Website and send an e-transfer with payment for tryouts (ensure you include player Name and DOB in e-transfer).
- ONCE A PLAYER IS REGISTERED AND PAID the Hamilton Steel Hockey Club will not be offering refunds to any player who decides not to attend tryouts.

Tryout Process

- Tryouts commence August 23, 2024
- Players are guaranteed two (2) tryouts before being released from the Hamilton Steel Hockey Club. This rule applies to players who attend on August 23, 2024. Any player attending after the first tryout is only guaranteed the one (1) skate.
- When attending your first tryout, players must attend the registration desk to check in, confirm they are registered and paid. Then they will be provided with a tryout jersey. Any player who has not registered and/or paid will be required to do so that night in order to skate.
- When a player registers with the Hamilton Steel Hockey Club online, a confirmation email is sent to the email address provided and within this email is a player “unique identification number” (see screenshot below). This number is used on the Hamilton

Steel U18 tryout page to release players. Once a player is released their unique identification number is removed from the website. Again, all players are guaranteed two (2) skates when attending the first tryout on August 23, 2024.

Players Requesting Releases “Uncontested U18 AAA Release”

- If a player is requesting a release from the U18 Hamilton Steel Hockey Club (this is only required if you’re leaving the OMHA for another membered partner) the following steps must be taken:
 1. Click on the U18 release form on the website. Fill out the form with all player information and ensure the information is accurate.
 2. Email the completed form to: registrar@hamiltonsteelhockeyclub.com
- **NO RELEASES WILL BE SENT OUT PRIOR TO AUGUST 23, 2024 PER OHF REGULATIONS. PLEASE DO NOT EMAIL THE HAMILTON STEEL HOCKEY CLUB REQUESTING A RELEASE DOCUMENT PRIOR TO THIS DATE AS ONE WILL NOT BE ISSUED PER THE REGULATIONS.**
- Once the form is filled out and emailed to the Hamilton Steel Hockey Club, it will be returned within 24 hours. Please do not send the email multiple times as this only causes further delay in receiving your release. Our registrar will complete and sign the form as soon as possible, as we understand players need these forms to skate with another club.
